Remote controls

Receiver

Control column made of stainless steel

Double control column

Transmitter

Control panel

Turn push button

Display for chain length and speed indicator

Structural features radio controlled winch operation:

- 1-4 controllers
- Easy to handle due to low weight (1.5-2.3 kg)
- Less cabling on board
- Electrical single or double control columns
- Hydraulic single or double control columns
- Control panels with integrated display for fully automatically letting-go the anchor

MacGregor shapes the offshore and marine industries by offering world-leading engineering solutions and services with a strong portfolio of MacGregor, Hatlapa, Porsgrunn, Pusnes and Triplex brands.

MacGregor is part of Cargotec. Cargotec's class B shares are quoted on NASDAQ OMX Helsinki.
