Inspection Agreement

MACGREGOR

Designed to perform with the sea

Inspection Agreement

This agreement is designed to provide **all labour and travel costs** necessary to carry out the planned inspection schedule. A **full report** including safety and critical actions will be provided following each inspection visit.

Spare parts discount

All spare parts purchased as a result of the inspection will be discounted by 10%.

Scope of works

The agreement will include scheduled inspections with documented activities on each planned visit.

Schedule of works

Scheduled inspections can be postponed, however, cancellation of a planned visit will result in a re-negotiation of the agreement.

Fixed-price agreement

The annual premium is fixed for the duration of the agreement.

Invoicing

The agreement will be invoiced twice a year in advance.

Agreement duration

The duration of an Inspection Agreement is 1-5 years.

Cancellation

The agreement can be cancelled by either party at any time by providing three months' notice in writing.
