

# TTS BRAKE PADS

SIMPLE SOLUTION FOR WORN DOWN BRAKE LININGS

**TTS**

A MacGregor Company

TTS OFFERS RESTORATION FOR BRAKE LININGS THAT ARE WORN OUT. SERVICE AVAILABLE FOR GLUED LININGS AND NON-GLUED LININGS

Brake linings have a tough job. At some point, they become worn down and may not perform as desired. Replacing these brake linings can be time-consuming and sometimes challenging.

TTS offers a brake lining restoration that is a simple solution for worn down brake linings. The process includes the careful removal of the old brake linings and their replacement with TTS brake pads.

The new TTS brake pads come in a compact package that saves storage space and offers quick shipment and installation.

**QUICK AND SUSTAINABLE SOLUTION FOR WORN OUT BRAKE LININGS**
